ABOUT PT MANDIRI SINAR ABADI

Professional sourcing, trading, export and import of Indonesian agricultural commodities.

PT Mandiri Sinar Abadi is an Indonesian company engaged in trading, sourcing, export and import of agricultural commodities. The company connects the potential of Indonesia's agricultural resources with domestic and international market requirements through professional sourcing, product selection, quality control, packaging, logistics coordination and trade services.

Our focus is to build a supply chain that is consistent, transparent, competitive and sustainable — with responsive communication and long-term business cooperation at the center of every relationship.

Illustrative visual

BUILT AROUND FOUR BUSINESS PILLARS

A practical B2B approach designed to support reliable commodity transactions.

Q

QUALITY

Reliable product standards supported by selection, inspection and buyer specification alignment.

S

SOURCING

A local sourcing approach focused on building dependable access to Indonesian agricultural products.

G

GLOBAL TRADE

Export-import oriented coordination for quotations, documentation, packaging and shipment preparation.

P

PARTNERSHIP

Professional communication and long-term cooperation with buyers, suppliers and business partners.

PT MANDIRI SINAR ABADI

VISION & MISSION

A clear direction for responsible growth and international competitiveness.

VISION

To become a trusted and globally competitive Indonesian agricultural commodity trading company that creates added value for suppliers, partners, customers and the environment.

Growing Together for a Brighter Tomorrow

MISSION

01 Connect Indonesian agricultural commodities with global market opportunities.

02 Maintain product quality and supply consistency based on agreed specifications.

03 Develop a dependable network of suppliers and sourcing partners.

04 Provide fast, professional and responsive trade communication.

05 Support a responsible and sustainable supply-chain approach.

06 Build long-term cooperation with buyers and business partners.

OUR VALUES

Six principles guide how we build trust, manage quality and grow relationships.

I — INTEGRITY

Honest communication and responsible business conduct.

Q — QUALITY

Attention to product condition, specification and consistency.

C — COMMITMENT

Focused follow-through from inquiry to shipment coordination.

S — SUSTAINABILITY

Responsible use of agricultural resources and long-term value creation.

P — PARTNERSHIP

Collaboration built on mutual benefit and professional respect.

G — GROWTH

Continuous improvement in sourcing, service and market reach.

WHY PT MANDIRI SINAR ABADI?

A partnership mindset focused on sourcing reliability, quality discipline and responsive B2B communication.

01

Reliable Indonesian Sourcing

Access-focused sourcing across Indonesian agricultural commodity networks.

02

Quality-Focused Products

Product condition and specification are discussed and checked against buyer requirements.

03

Competitive Supply Solutions

Commercial solutions are developed according to product, quantity and shipment conditions.

04

Professional Communication

Clear, responsive coordination from inquiry through quotation and shipment preparation.

05

Flexible Business Cooperation

Specifications, packaging and commercial terms can be discussed for each transaction.

06

Long-Term Partnership

We prioritize sustainable business relationships, not one-time transactions.

GROWING RESPONSIBLY

PEOPLE • PLANET • PROSPERITY

P

PEOPLE

Build constructive relationships with suppliers, producers, buyers and business partners.

E

PLANET

Encourage responsible use of agricultural resources and practical supply-chain awareness.

$

PROSPERITY

Develop trade that creates economic value across the business chain through fair, professional cooperation.

Our sustainability approach is expressed as a business principle. Specific ESG targets, certifications or verified impact metrics should be added only when documented.

PT MANDIRI SINAR ABADI

GLOBAL BUSINESS

READY FOR GLOBAL PARTNERSHIP

We welcome cooperation with importers, distributors, manufacturers, wholesalers, trading companies and international procurement organizations seeking Indonesian agricultural commodities.

- Importers
- Distributors
- Manufacturers
- Wholesalers
- Trading Companies
- Procurement

LET'S BUILD A LONG-TERM BUSINESS PARTNERSHIP
